"Will you be my bridesmaid?" cards

Pages 1-3: three card designs, four per sheet. Page 4: details cards to send with the ask.

You don't need to print this page.

Printing

- US letter, portrait. Print at 100% / actual size, not fit to page.
- Cardstock that your printer accepts, e.g. 65 lb. Choose single-sided printing.
- Print one page per card design you want; each sheet gives four cards.

Cutting

- Cut once down the middle and once across the middle, using the gray ticks at the sheet edges and the small cross in the center.
- Each card is 4.25 x 5.5 in (A2), sized for a standard A2 envelope (4 3/8 x 5 3/4 in).

Filling in

- Write the names by hand. The details card is a prompt: leave out anything not decided yet.
